SNIPER EXPERIENCE (WOODLAND) **ONE SHOT, ONE KILL!**

FIRST&ONLY

Our sniper experience days are a great day out for anyone that has ever wanted to experience the life of a sniper first hand. We issue you with a rifle, silenced pistol and a ghillie suit (special sniper camouflage) to help you achieve your goal and teach you the basics of stealth and concealment. On the "Sniper Hunt" experience day each member of your group will take it in turns to be a sniper as the rest of the group try and track them down to stop them before they can take out their target. The "Sniper" experience day is more of an in-depth sniper course for up to 15 people where we will take you through basic sniper training and give you a mission to plan and execute to achieve your goal.

What you will learn

- Training on weapon drills for a variety of weapons systems.
- Camouflage and concealment.
- Movement and patrolling, fire and manoeuvre.
- Tracking skills.

“The sniper is the hunter of the battlefield, they don't rely on large numbers or fully automatic fire to achieve their goal. This is your chance to experience what it is like to be a sniper. Deep behind enemy lines, using camouflage and stealth to get within range of your target to take that one shot.”
